Established in 1999 we are Tauranga's major biennial arts festival presenting the best of the arts from New Zealand and around the world.

Our vision is to enrich the cultural and economic fabric of our community by providing access to world class arts, theatre, dance, exhibitions and performance.

Be part of our family of Patrons who share your enthusiasm for the arts and play a major role in building the Festival's future.

Your donation goes directly towards our efforts to give theatre makers, visual artists, performance artists, writers and musicians the greatest opportunities to produce and share their work.

A long weekend of writers, talks, workshops and performances guaranteed to chase the winter blues away.

Your donation will help us maintain and develop a program of arts and entertainment for all our community. Work with us to bring the best of the arts to our region.

JO BOND, DIRECTOR
